

**Leonie Raß**  
**Violín**

My name is Leonie Raß, I am 18 years old and I come from Austria. At the age of four I had my first violin lesson and since 2017 I also play the piano. For the last four years I have been studying at the preparatory school in Vienna with UNIV. -PROF, MMAG. PRIV. -DOZ. DOMINIKA FALGER.

Four times in a row I took part in the Prima la musica competition (an Austrian music competition which is very well known here) and I was the winner from Styria (my home state).

I have participated in concerts at the Stefaniensaal, the Mumuth, the Mozarthaus, the Golden Hall in Vienna and the Bregenz Festival. I have also travelled to Slovenia, Hungary, Croatia, China, Latvia and France to play in concerts with different orchestras.

At the age of 12 I managed to join the Styrian Orchestra and since that year I have been a concert master.

From 8.7.2019 until 28.7.2019, I was lucky enough to participate in the concert tour with the Brahms Players to China.

During the summer I had the opportunity to work with the Styriarte Youth Orchestra and the Vienna Symphony Summer Academy.
