## portillo programs

For the fourth year in a row, we will organize the **Portillo International Music Academy & Festival**, a true meeting with talented musicians in the heart of the Andes.

From January 15 to 22, 2023, and in front of the Laguna del Inca, we will have all-inclusive programs for the whole family, including outdoor activities, wine tastings and a heated pool during the day, plus classical music concerts every night.

Music fans will have access to all academy classes, dictated by Alejandra Urrutia, acclaimed first female Director of the Chilean Orchestra; in addition to meeting this year's talented scholars.

We invite you to enjoy our programs, to connect with the mountain and the music, and live an unforgettable experience.
