WEEKLY PROGRAMME

"Music and art elevate the human spirit and are sources of eternal inspiration. Under the gaze of the majestic Andes mountain range, young instrumentalists from around the world will bring the Festival Internacional de Música Portillo 2020 to life—a transformative space where music and nature, together with outstanding teachers, will witness a unique experience in Chile and Latin America.

"Along with the American String Quartet, Beatrice Ovalle, Federico Curti, Gorgias Sánchez, Pedro Salcedo, Gabriel Betancur, Caroline Ward, Juan Pablo Jara and the entire team of teachers and guest artists, I wish you a week full of music, joy and dreams shared.

Infinite thanks to you all."
